There is  
so much  
beauty in a darkened sky,  
in the moment of moonlight,  
before your head reaches the  
pillow next to me and our hands  
slightly touch as we disappear  
with a kiss. We disappear  
We disappear.  
Into each other. Into our  
selves. Only to reappear —

• a flutter of an eyelash  
• a parting of the  
lips
